TERRE ROUGE® AND EASTON WINES

2017 EASTON Zinfandel Lot 1852, Amador County

This is new style of Amador County Zinfandel for us that is made in an older historic-style. This wine is produced from dry-farmed, head-trained, and hand-harvested Zinfandel grapes that were grown on a beautiful, rolling mountain site that has the classic, vermilion-colored, Amador decomposed granite soil. The grapes were partially-crushed, partially whole-cluster, and fermented in a closed tank where there was some carbonic fermentation. This created an enjoyable and quaffable Zinfandel that has a beautiful floral quality. It also shows savory notes of violet, mountain sage, and yerba buena. This lively Zinfandel is meant to be consumed at a young age, but should age well for a few years. Drink it at a cooler temperature that you might normally drink red wine.

“Zeinfandall” first arrived in California in 1852 from the Dalmatian Coast of what is now Croatia. It had many names and spelling upon its first arrival and before it made it to California from an East Coast horticultural nursery.

This wine is a great introduction to our EASTON line of five distinctly different Zinfandels:

14.5% alc. by volume; 3.53 pH; 6.6 grams per liter total acidity

Release Date: April 2018

Suggested Retail Price: \$22 a bottle
