TERRE ROUGE® AND EASTON WINES

2020 TERRE ROUGE Viognier - Fiddletown (Estate)

Bottled in late March 2021 our 2020 Viognier is organically-grown on our Fiddletown estate in granitic soils. Zesty fresh, floral, and spicy aromatics with fruit notes that suggest classic white peach and apricot flavors. This will be a perfect glass pour wine with its lively flavors. Bottled with a screw-cap closure for easy accessibility.

The grapes were harvested on September 23rd. We harvested at 24.2 brix, whole-cluster pressed to tank; fermented to dry in stainless and then transferred to a set of older French oak barrels with a couple special new barrels that are coopered in Condrieu thrown in the mix. Lees stirring, malolactic fermentation, and no racking off of primary lees are all techniques employed prior to bottling.

14.5% alc. by vol.; 3.45 pH; 6.0 gm./liter total acidity

Suggested Retail: \$28 a bottle

Release Date: November 2022
